

## 2025 Festival Sponsorship Opportunities

The Sunshine Coast Festival of the Performing Arts (SCFPA) believes we can be a bastion of lifelong learning through the performing arts by supporting, growing, and promoting amateur performing artists of all ages and abilities on the Sunshine Coast. We do this by nurturing artistic excellence and providing opportunities to share and perform.

Your generous financial contribution makes it possible for the Festival to have high quality adjudication and provide awards and scholarships annually to outstanding individuals and groups to encourage their ongoing development as performers. Many students pursue post-secondary education with financial assistance from the Festival awards. Each year exceptional performers are selected to gain additional experience by participation in the Provincial Festival, Performing Arts BC.

The opportunities and benefits outlined below can be customized to meet your organization's specific recognition, marketing and advertising needs. **Contact Sarah Lewis at [info@coastfestival.com](mailto:info@coastfestival.com).**
